<https://github.com/Nins17>
- Netlify:
<https://silviasportfolio22-25.netlify.app/>

TECHNICAL SKILLS

- Full-Stack Web Development (Basic)
- Project Management
- UI/UX Design (Basic)
- Database Management (Basic)
- Currently Learning: Machine Learning & Artificial Intelligence

PROGRAMMING LANGUAGES, TOOLS & FRAMEWORKS

Java (Basic), Python (Fundamentals), Flask (Beginner), Tkinter (Basic), MySQL (CRUD operations), CSS (Basic), Bootstrap(Basic), Canva (Basic), Microsoft Office (Word, PowerPoint, Excel)

CORE SKILLS

- Problem Solving & Critical Thinking
- Teamwork & Collaboration
- Adaptability & Continuous Learning
- Effective Communication

OBJECTIVE

A Bachelor of Science in Information Technology major in Systems Development student seeking a learning-focused environment where I can apply my skills in full-stack web development, gain practical experience, and continue growing as an IT professional.

EDUCATION

- PHINMA UNIVERSITY OF ILOILO**
(ILOILO CITY)
- Bachelor of Science in Information Technology
Specialized in Systems Development (2022 – Present)
- CABATUAN NATIONAL COMPREHENSIVE HIGH SCHOOL**
(CABATUAN, ILOILO)
- Senior High School
Humanities and Social Sciences (2020-2022)
 - Junior High School
Specialized in Computer System Servicing (2016-2020)
- CABATUAN CENTRAL ELEMENTARY SCHOOL**
(CABATUAN, ILOILO)
- Primary Education
Star Section(with Computer Literacy Program) (2009-2016)

EXPERIENCE

- Chief Information Officer** 2023-2025
F1Stackmind (School IT Organization)
- Led and managed a student organization focused on programming and IT development.
 - Oversaw projects, coordinated events, and guided members in technical initiatives.
 - Mentored students in learning the fundamentals of Python and introductory Flask development.
 - Served as a speaker in seminars and workshops on programming and IT-related topics.
- Web Developer** 2022-present
Freelance/ Project-Based
- Gained hands-on experience in web design and Flask-based back-end development while working on student projects and organization websites.
- Technical Support Staff (DESO)** May 2025
Commission on Elections – National and Local Elections
- Handled troubleshooting and basic technical support for vote-counting machines.
 - Supported Designated Election Supervisors (DESO) in ensuring smooth and efficient election operations.
- Projects & Activities** 2022-present
Participant
- Participated in hackathons and startup events, collaborating with teams to design innovative solutions and pitch technical ideas.
 - Gained hands-on experience in teamwork, project pitching, and rapid problem-solving.
 - Engaged in self-study and hands-on practice in Machine Learning and Artificial Intelligence.
 - Exploring beginner-level projects such as face recognition, simple predictive models, and AI applications.

TRAININGS/SEMINARS AND CERTIFICATION

- Western Visayas Innovative Startup Fest 2025** - attended the Innovative Startup Conference(September 16,2025)
- IT Ignition** - 3-day training and seminar; *Champion / Best Project Award (April 23-25, 2024)*
- PHINMA UI Community Engagement Project: “Barangay Ko, Love Ko”** – Cybersecurity Guest Speaker (February 17, 2024)
- Binary Blitz: IT Major Unleashed** – Speaker (March 14, 2024)
- CITE Week Debugging Contest** – 2nd Runner-up (September 21,2024)
- Operation CodeCraft: Unleash the Magic of Programming** – Guest Speaker (2023)
- TechTalk Seminar** – Guest Speaker (2023)
- DICT Region VI Philippine StartUp Challenge 8** – Qualifying Teams (October 3, 2023)
- CITE Week Ui/UX Competition** - 2nd Runner-up(October 13, 2023)
- Certificate of Completion** – 28 hours Computer Literacy Training, Interface Computer College (October 1, 2017)

PROJECTS

AttenTrack: Attendance Tracking and Monitoring System

Capstone Project (2025)

- Designed and developed a web-based System that records student attendance using facial recognition and notifies student’s guardian through SMS notification

*Additional projects showcased in portfolio.
